W1D3 Quiz

CS472 WAP October 2016 – Prof. Zijlstra

1. Give 3 different ways to specify a size in CSS:

   [handwritten:] 100 px
   100 pt
   100 %

   [handwritten:] explicit sizes: x-small large medium
   100em   vh   vw

2. Find 3 errors in the following CSS:

```
p {
    color:  red;
    fontSize: 14pt;
}
```

   [handwritten:] font-size

   [handwritten:] /* Comment */
   // not CSS comment
   <!-- not CSS comment -->

3. Write one CSS rule to make both h1 and h2 tags use the background image found at:
   http://mumstudents.org/images/background.jpg

```
h1, h2 {
      background-image: url("http://mumstudents.org/images/background.jpg");
}
```

4. What foreground and background color are the following elements:

```
<body>
  <p>First piece of text; what color am I?</p>
  <div class="central">
    <p>Second piece of text; what color am I?</p>
    <ul>
      <li id="item">piece of text; what color am I?</li>
    </ul>
  </div>
</body>
```

```
body {
    background-color: yellow;
    color: magenta;
}
p { color: orange; }
.central         {
    color: green;
}
#item {
    background-color: cyan;
}
```

	Foreground (text) color	Background color
First	Orange	Yellow
Second	Orange	Yellow
Third	green	Cyan
